TO COUNTY ASSESSORS:

RIVERSIDE COUNTY  
ASSESSMENT PRACTICES SURVEY

No. 2003/047

A copy of the Riverside County Assessment Practices Survey Report is enclosed for your information. The Board of Equalization (BOE) completed this survey in fulfillment of the provisions of sections 15640-15646 of the Government Code. These code sections provide that the BOE shall make surveys in each county and city and county to determine that the practices and procedures used by the county assessor in the valuation of properties are in conformity with all provisions of law.

The Honorable Gary L. Orso, the Riverside County Assessor-County Clerk-Recorder, was provided a draft of this report and given an opportunity to file a written response to the findings and recommendations contained therein. The report and the assessor's response constitute the final survey report which is distributed to the Governor, the Attorney General, and the State Legislature; and to the Riverside County Board of Supervisors, Grand Jury, and Assessment Appeals Boards.

The BOE's County Property Tax Division performed fieldwork for this survey of the Riverside County Assessor's Office from January through March 2002. The report does not reflect changes implemented by the assessor after the fieldwork was completed.

The survey process inherently requires the interruption of normal office work routines. We thank Mr. Orso and his staff for their cooperation and patience during this assessment practices survey.

These survey reports give government officials in California charged with property tax administration the opportunity to exchange ideas for the mutual benefit of all participants and stakeholders. We encourage you to share with us your questions, comments, and suggestions for improvement.

Sincerely,

/s/ David J. Gau
